

## **AM**

### **On the Minds of AC Detailers**

Conversion opportunities exist for AC2s in the 2002, 2003, and 2004 Year Groups (Zone C) via Career Waypoints. Lateral conversion packages from AC to LN and NC ratings are still being accepted. ACs facing forced conversion should contact the ECM prior to submitting a package.

### **On the Minds of AC Detailers: Part 2**

Billets are now available on the USS Gerald R. Ford (CVN-78) for E-6 and below but will not be advertised on CMS-ID. Contacting the detailer prior to entering the CMS-ID window is highly encouraged.
