By signing this form I request and freely consent to an order modification extending my current billet or to transferring me to a new billet, as indicated above. If approved, the Navy will issue me an order modification (ORDMOD) that will continue MOB/IA orders in support of Overseas Contingency Operations. I understand that once the ORDMOD is generated, I may no longer revoke this consent. I will be obligated to serve the full modified order period requested above, unless released sooner. I further understand that I will be serving based on the needs of the Navy, and I may be released by proper military authority at any time.

Note: NAVCENT Extension guidance limits total Boots on Ground (BOG) in CENTCOM AOR to a maximum of 24 months. Extensions will not be authorized for Sailors assigned to Detainee Operations, Counter-Improvised Explosive Device, Expeditionary Signal Intelligence units, or other high tempo billets.
